

Collaborative Leadership for Strategic Growth

Why You Need to Attend:

This workshop is for the middle management of an organization, who is responsible to lead organization initiatives with cross-functional teams. The collaborative leadership workshop is a blend of face-2-face and online learning experiences. It will guide participants to understand the organization's structure and culture, empower the team, and tap into collective intelligence. Unlike traditional definition based and/or international case studies base events, the workshop will provide a roadmap to develop a collaborative leadership style.

How You will be Engaged:

STEP 1

Watch the preworkshop video and review your organization structure and culture based on video description.

STEP 2

Attend the workshop (i.e. Face-2-Face, Online, and/or On Demand). Compare your prework with workshop work.

STEP 3

Review the roadmap. Build and/or review the competencies to lead cross functional teams with collective intelligence.

STEP 4

Measure your success against the given criteria. Share your experience with AUC.

What You will Gain:

DEVELOP Collaborative Leadership Style

DESIGN Individual and Team Accountability

OVERCOME Communication Challenge

BUILD Collective Intelligence

UNDERSTAND Organization Structure and Culture Parameters
